Profile

Myself Ambika Vasudev representing Duende Education, the Career Counselling and Study Abroad Consultancy Company. We are a team of professionals to help high school students take the most crucial decisions of selecting the best suited stream and career. Not only this, we provide complete hand holding in the entire college research, planning and admission process in the top universities of India and Abroad. I take great pleasure in recommending Mr. Naresh Nirban, the customized ERP Expert. As a part of our career development program process, we help school students in discovering their learning styles. Naresh Ji developed an automated cloud X-PMS using Google drive solutions that has not only saved a lot of time of my staff but also has given us a freedom to access it from phone and laptop from anywhere in the world and the result of the learning style test gets delivered to the person within few seconds of submitting the form. Now we offer this free to all the schools we get connected to. Based on my person experience, I recommend Mr. Naresh Nirban for your business process automization needs. Thank you Mr. Naresh Nirban for your professional support and services. Ambika Vasudev Career Development Expert Duende Education (Opc) Pvt. Ltd.

I recently recommended Om Industrial Creative and Cloud Solutions to my friend for her Billing Software requirements and she is very impressed with the professional approach of Mr Naresh Singh Nirban. Om Industrial Creative and Cloud Solutions is an extremely efficient and reliable company and I would strongly recommend this company to anyone interested in getting cloud solutions for their company. The system recommended by Mr Naresh also gave a solution for managing client database in a very smooth and hassle free manner. The system is very user-friendly and cost efficient as compared to the other solutions available in the market. Mr Naresh is very humble and ready to provide all kind of support. I wish him all the very best for his future endeavors.

I am Pankaj Madan CEO of PUSHKAR INFOTECH. We are Pioneer in providing Services for Computer Hardware repair and related Problems. We deal in providing services like AMC of computers laptops networking and printer's and any type of issues in IT field. It's a great pleasure to recommend Mr. Naresh Singh Nirban of OM INDUSTRIAL CREATIVE & CLOUD SOLUTIONS. My wife is running a coaching center from last 15 years she is having some issues related to Arrival and Departure of students form her center, Especially Girls. Parents are much more concerned about safety issues of their children. My wife was always packed on mobile with parents. Mr. Naresh came up with a solution to me. As a software ERP Developer he recommended me a software of Attendance. This is really amazing . Now children submit IN Time and Out Time on mobile and later in the evening the msg is delivered to the parents. This suggestion and his work make our life troublefree. Based on my personal experience, I strongly recommend Naresh Singh Nirban to my entire network for their Software Solutions. He definitely can help you with any type of ERP software solution. I'm Pramod Kanoujia, Director of LoanMoney. We are Loan Providers from Over 35 Banks & Non Banking Financial Companies. We specialize in Loan for Business – Working capital and salaried class- Personal & Home Loans. We have Business Locations in Delhi & Noida. We were running a third party software for Leads management. During Covid times, it's cost vs Benefit become un-viable. We discussed the problem with Mr. Naresh Nirban of CloudXPMSS. He was patient in understanding our problem and came out with excellent Google sheet Solution for our team of over 35 sales and backend integration. It solved our sales and coordination seamlessly. Post that, we again entrusted him with our customers base software solution, which again for delivered with excellent results. I have found Mr. Naresh Nirban of "Om Industrial Creative & Cloud Solutions" [CloudXPMSS] to be reliable, efficient and experienced. As we grow we can feel confident that they will guide us as and when necessary. I would strongly recommend him for all my referrals. Mr. Naresh and his team have really simplified the way we do business. They gave us a platform which took the work load away from our employees and helped in increasing their productivity. The best part is that it was made to orders just how we wanted it.
